Clinics Serving the Twin Rivers USD Area

Updated June 2021 – be sure to call clinics for most current information.

The first and best resource for childhood immunizations and all health care is your primary care physician (PCP). If you need immediate immunizations to enroll in school, contact your PCP to ask for a same day or drop-in appt. If you do not have a PCP, see the list below for more resources. Please do not hesitate to contact the school nurse if you need further assistance.
